

2019 | In Review

Together making a Gospel Impact
and Humanitarian Work.

- Where We Have Operations -

We had the privilege of working in about four communities namely, Appi reddy village, Dhamiah guda Slum area, Munipally village, Mandikonda village, in the southern part of India and supporting one orphanage namely Amma Home located at East Gandhi Nagaram, Nagaram, Hyderabad.

In Kenya we held meetings by kind courtesy of our host church, Christian Life Fellowship. This gave us an opportunity to share the Gospel and also encourage believers within the Eastern part of Nairobi. We also had the privilege of visiting Hope and Faith Centre for children with special needs children, located at Juja. These children suffer from cerebral palsy, autism and epilepsy. We were able to donate some basic amenities and later also gave a financial aid.

July 2019 was our maiden trip to this country in the Western part of Africa. We held two meetings in two separate communities to reach souls and also had volunteers to also undertake outreaches within the country. Our outreach meetings were held in Kenema and Kono Ngyaiya.

In 2019, we frequented Ghana and held several outreach meetings. We had the privilege of giving to the needy, providing pastoral care to some young people, one to one Evangelism and also held our annual make me smile project.

Our Gratitude

We want to thank the individuals, families and the following churches for their support towards our work in 2019.

CHAIR OF TRUSTEE

All too soon, the year 2019 has passed us by. It came with its attendant highs, lows, victories and seeming failures. One thing that is for sure is that God still used all our encounters, whether pleasant or unpleasant for our good because we love him. We therefore thank God for seeing us through it and ushering us into the year 2020. I pray that irrespective of how unpleasant or unfavourable the events of 2019 might have been to you, you still did not lose sight of the faithfulness of God towards you throughout the year.

STG, certainly could not have come this far and carried out its tasks in 2019 without your partnership and support. I would like you to know that myself and the entire STG team appreciates you. We are grateful to you for standing with us to do God's work, to shine His light and demonstrate His love to many downtrodden, lost and neglected people. May God remember you in your time of need and may the seeds of support you have sown bear much fruit unto you.

This year, we will relentlessly be continuing the work we started in the previous years with the intent to reach and impact more lives with the Gospel, whilst providing humanitarian support in the countries of Ghana, Sierra Leone, Kenya and India. In obedience to Jesus' command to make disciples of all nations, we encourage you to give in supporting and taking part in the great commission. The kingdom of God is the 'Pearl of great price' and we must do everything in our power to help people enter in and not miss heaven. I encourage you to continue to make investments that have eternal value.

We look forward to partnering with you again this year. Thanks once again for your ongoing support and encouragement to us.

On behalf of everyone at STG, I wish you a happy and prosperous new year.

Your's in the Lord's service

Missions

In 2019, we had the opportunity to preach the Gospel and provide charity support to people in the countries where we served. Aside from our home base, United Kingdom and operations in Italy. We served in Kenya, Ghana, India and Sierra Leone.

We organised several outreach campaigns that focused on reaching unbelievers with the Gospel, meetings to help believers grow in their relationship with God and share fellowship. We also provided charitable support to the needy.

TEAM LEADER'S MESSAGE

2019, has been a tremendous year for us at STG. It has been a year we can attest to God's provision through wonderful and cherished partners and donors like yourself.

We have ventured new territories and the Lord has granted us good success and we are grateful to God.

2019, has been blissful to say the least regardless of the hurdles and challenges, yet God has proven to be faithful. In 2019 we visited the following countries for missions and charity work;

India, Kenya, Sierra Leone and Ghana. Aside our operations in United Kingdom and Italy.

We had the privilege of preaching the Gospel to unbelievers, encouraging believers, providing pastoral care to students and young people, undertaking humanitarian activities towards the poor and providing financial aid to some pastors.

Our work has been made possible by the Lord through the donations we received.

We want to sincerely thank all the individuals, churches and groups that gave to help our work in 2019. Without their support we could not have achieved what we did and for that we are most grateful.

We have put together this brochure to showcase a few pictures of our work in 2019. We hope you find this informative.

Yours in the Lord's service
