Message from our **Global Lead**

It is with great joy that I write my end-of-year message as part of our accountability to our partners worldwide.

The work continues to grow and we are excited about the new opportunities God is granting us in communities in different nations.

2024 for us at STG, has been phenomenal. God's provision and faithfulness have enabled us to serve. We are also glad you have been and continue to be part of our journey as a ministry. We value your dedication and contribution to our work in past years and particularly in 2024.

We have created this brochure to give you brief information and an overview of our ministry activities in the year 2024. We hope it is informative.

On behalf of our trustees, leadership and team, I thank you for your continued support of us.

We trust that you will continue to be our partner as we serve in different communities around the world.

With thanks

Edward Agyeman
Global Lead

Overview OF 2024

2024 has been exciting for us at STG. Our journey through the year has been nothing short of a miracle. God has provided through people like yourself and we are grateful to God and you.

At STG, our heart and focus remain the same as our vision as a ministry. We labour daily across the globe and continents to see growth in local churches.

Our work in 2024 has been in partnership with different ministries in the localities where we serve.

We are also grateful for the individuals, families and churches that supported us in 2024 through their giving and prayers.

UNITED STATES OF AMERICA

We were led by God to spread out and teach about relationships and marriage. Our leadership decided to launch out to the United States of America. We were received by the Upper Room Assemblies of God in the Bronx, NY, through their lead host Rev Mark Manu. The churches hosted a relationship seminar twice under the theme, Singles' encounter.

Our global lead also had the opportunity to minister at events of Project Light. These meetings were fruitful and life-changing by the grace of God.

BELGIUM

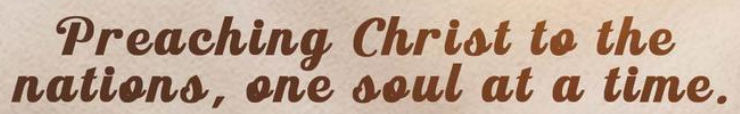

Belgium has consistently remained on our list of missions destinations in recent years. We have an amazing relationship with Nations Shakers, a thriving local church in Brussels.

In partnership with the above-named church, we held a meeting in this country for three days. It was an amazing time of gathering believers, sharing fellowship through the word, praying and singing.

The days spent in this country allowed us to explore several Christian topics that were geared at equipping the saints for ministry and for marriage and relationships.

nations, one soul at a time.*

GHANA

This West African country has continued to feature in our mission trips annually since the first one was held in December 2009. Our work in Ghana keeps growing year after year and we are excited to see God at work through us in different parts of the country.

In 2024, our work in Ghana has been based in the Ashanti, Greater Accra and Western regions

Our activities have included evangelism, community gospel outreaches, school outreaches, mentoring, discipleship, humanitarian assistance and pastoral support.

We are excited that we were able to commence our schools outreach initiative. Our Accra-based team served in Pacesetters Senior high school, Idea college and Unimac, educational institutions based in different suburbs of Accra. We saw God touch and transform lives through His word.

Charity

At STG, we are passionate about making a meaningful difference in the lives of children, youth, and young adults who experience incredible hardship.

We had the opportunity to minister to the needs of specific individuals.

Our charitable aid was received by persons in Ghana and Sierra Leone and included:

- Providing financial aid to support the living expenses of some young people.
- Supporting students with allowances.
- Providing accommodation stipends to two young people.
- Making provisions toward the welfare of a child.

UNITED KINGDOM

Part of our focus is to see people grow in their relationships and in their walk with God. We felt amongst other things that God wanted us to focus on teaching on relationships and marriage. In light of that, we held a relationship seminar. It was attended by a few people from different parts of London who came together to discuss and learn about relationships and marriage. It was a great time of fellowship and learning.

In August, we also held a prayer summit. A few ministers of the Gospel led sessions on prayer for our communities and ourselves. This was also another great meeting that allowed us to gather people for fellowship.

Throughout the year, we provided pastoral support to a few people who needed assistance and guidance. We believe pastoral activities allow us to provide significant support to the day-to-day lives of people.

SIERRA LEONE

We had a fruitful time in Sierra Leone. Our work there was conducted in two locations- Bo and Kissy town (western rural). Bo, the second largest city in Sierra Leone, is located in the southern province. Kissy town is located in the western rural of the Waterloo district.

Our activities included leadership seminars for church leaders and pastors, a day retreat and a Sunday fellowship gathering.

We received testimonies of how the teachings of God's word has been a blessing to attendees. We also received a request to extend the duration of subsequent missions to host similar meetings in other towns to be a blessing to many more.

As a ministry, we are excited about what God has started in this nation with our visit.

TESTIMONIAL

SIERRA
LEONE

Rev, it was a blessing having you here in Sierra Leone. Your teachings came to us at the right time-a time when our people need the word of God to grow and to be transformed. And your teachings helped to accomplish all of the above. It was also a blessing learning about the kingdom perspective, serving like Christ and living like Him. We were blessed with your gifts and support to local church pastors, your encouragement to seminarians and pastors' wives has helped a lot. Praying to see you again.

Thanks

Pastor Carlton Lavally

2025

At STG, we are excited about the upcoming year of 2025. Our vision for the year is growth on our part as a ministry and in the lives of others. We will focus on seeing people grow in their faith, reconciling unbelievers to God, and providing humanitarian assistance to alleviate poverty.

In 2025, we will explore true worship to help believers grow in their relationship with God. We will also conduct several outreach activities and humanitarian aid across several countries. Kenya, Sierra Leone, Italy, Belgium, Ghana and Philippines are some countries on our heart beyond our home base, the United Kingdom.

As part of our proposed work in 2025, we aim to bring aboard two missionaries to join our global team in spreading the gospel within communities while working with local churches.

Therefore, we humbly invite you to become a prayer and/ or a financial partner of our 2025 missions.

DECEMBER
2024
MAKE ME
Smile
PROJECT

This is an annual event during the Christmas season where we organise activities in the earnest hope that they bring smiles to the faces of children faced with hardship and other kinds of challenges.

This is our last event of the calendar year and is scheduled for December 2024. We will provide an update on the events in January 2025.
