Executive Summary

It is with great honour that we at STG share an update on how your support has been a true blessing and has enabled us to continue serving.

In December 2025, we extended our project across a few countries.

Through this project, we have consistently endeavoured to make a difference in the lives of children and youth from impoverished backgrounds and communities.

Through this publication, we would like to provide you with an update on the Make Me Smile Project 2025.

SMILE** 
PROJECT

South Africa REPORT

South Africa REPORT

Date: 11 January 2026

Location:

Revelation Christian Church

Beneficiaries: Children aged 4–15 years

The outreach was held at Revelation Christian Church(South Africa) on the 11th of January 2026, where the funds received were used to purchase groceries for the kids and their families.

The groceries were received with great joy and sincere gratitude. The smiles on the children's faces and the

appreciation from their families were a clear reflection of God's love and provision. As Scripture reminds us, "And my God will supply every need of yours according to His riches in glory in Christ Jesus".

We give thanks to God and extend our heartfelt appreciation to all the partners and supporters who made this possible. Your generosity became a blessing to many, and through it, God's love was shared with the children and their families. May God richly bless you for being vessels of His kindness and compassion.

PROJECT

Accra, Ghana REPORT

Accra, Ghana REPORT

Date: 23rd December, 2025

Location: Play Accra, East Legon

Beneficiaries: Children aged 7-12 years

Make me Smile forms part of STG's humanitarian efforts to demonstrate the love of Christ through practical acts of kindness and fellowship. During the Christmas season—a time associated with giving and compassion—the initiative sought to provide the children with a joyful experience while also offering support to them and their families.

The programme began at 12:00 pm, when the children arrived at Play Accra and were warmly welcomed by the volunteers. The children were excited as throughout the afternoon, they engaged in a variety of activities that kept them entertained and energetic. Some of the children enjoyed the indoor slides, while others spent time on the outdoor swings and trampoline. The boys also played football on the mini-pitch. At around 3:00 pm, everyone gathered together to share a KFC meal with soft drinks. Each child received a gift package containing a school bag, a bag of rice,

and one litre of cooking oil as a small but meaningful contribution to help the families during the Christmas period.

The event was facilitated by four volunteers who dedicated their time and effort to make the day special for the children. These included David, Pastor Maxwell, Pastor Victor, and Dr Josephine.

The impact of the outreach was clearly visible. One of the parents who accompanied the children expressed deep gratitude for the kindness and attention shown to them.

The event concluded at 4:00 pm.

Kumasi, Ghana REPORT

Kumasi, Ghana REPORT

We began the program at 12pm where the children were welcomed by one leader who got there on time till we all came together at 2pm at Rattray Park which was our meeting venue.

We began the program at 2:10pm by praying and thanking God for our lives and the purpose of our gathering. Mr Afriyie who is our leader for STG -Kumasi gave an introduction about program and welcomed everyone for being there. We proceeded by introducing ourselves by mentioning our names and where we are from to the

children and the children to us as well.

We had twelve children within the ages of 5-11years and seven leaders who gave for this program.

The program proceeded by singing Christian children songs and dancing. At 3pm we started sharing drinks and water as a starter and later got the children with some food as lunch.

We played games such as pick and act, ludo etc just to cheer up the children and advise them with the word of God.

We ended the program at 5:30pm by taking pictures and giving each child a bag of 5kg rice, 1litre vegetable oil, big satchet of milo, pencils in their cases and school bag to send it to their various house

to enjoy them with their family for the Christmas.

At the end ,we departed ways by letting the leaders the guide the children back home and at 7pm we were all at home safely.

From that day of departure till 25th of December,all the children parents started calling some of the leaders to thank us for the program because most of the children didn't know more about Christ and also their way of behaving changed after the program. Others called to thank us for giving them food to also enjoy during the Christmas which made the purpose of the program accomplished. We made them smile at the end.

PROJECT

Kenya REPORT

Kenya REPORT

Date: 21 December 2025

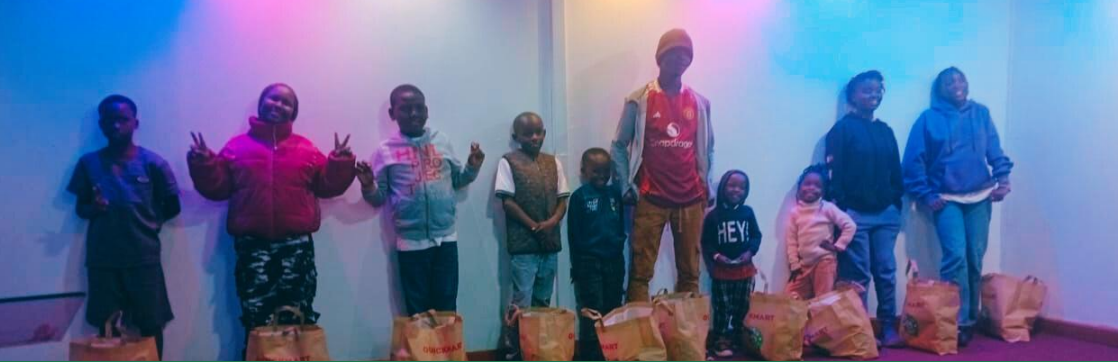

Location: Buru Buru, Nairobi,
Kenya

Beneficiaries: Children aged
4–15 years

The **Make Me Smile** outreach was organized by **Spreading the Gospel (STG)** as a community initiative aimed at sharing the love of Christ and bringing joy to children during the Christmas season. The program sought to demonstrate God's compassion through acts of kindness while reminding the children and their families that they are valued and loved.

The event brought together children between the ages of 4 and 15 for a day filled with joy, fellowship, and encouragement.

Volunteers engaged the children in interactive games, singing, storytelling, and moments of encouragement. These activities created a lively and welcoming environment where the children could freely laugh, play, and interact with one another. **As part of the outreach, food items such as rice, maize flour, wheat flour, cooking oil, and snacks were distributed to support the children and their families during the festive season.**

The children also shared a meal with the volunteers, creating meaningful moments of connection and celebration.

The outreach had a positive impact on the community. The smiles, laughter, and gratitude expressed by both the children and their parents reflected the success of the initiative. Ultimately, the event served as a practical expression of God's love and the church's commitment to serving others.
