

Mission **SIERRA LEONE**

**PICTORIAL EXCERPTS &
TESTIMONIALS**

We had a fruitful time in Sierra Leone. Our work there was conducted in two locations- **Bo and Kissy town (western rural)**. Bo, the second largest city in Sierra Leone, is located in the southern province. Kissy town is located in the western rural of the Waterloo district.

Our activities included **leadership seminars for church leaders and pastors, a day retreat and a Sunday fellowship gathering.**

We received testimonies of how the teachings of God's word has been a blessing to attendees. We also received a request to extend the duration of subsequent missions to host similar meetings in other towns to be a blessing to many more.

As a ministry, we are excited about what God has started in this nation with our visit.

Testimonials

1 Pastor Carlton Lavally

Rev, it was a blessing having you here in Sierra Leone.

Your teachings came to us at the right time, a time when our people need the word of God , not just to preach and teach, but to grow, a time when our people need the word not just to survive but to be transformed. And your teachings helped accomplished all of the above.

It was also a blessing learning about the kingdom perspective, serving like Christ and living like Him. We were blessed with your gifts and support to local church pastors, your encouragement to seminarians and pastor's wives has helped a lot. Praying to see you again.

Thanks

2 Rev. Nelson (Bo, Sierra Leone)

Hello Apostle Edward, I thank you for your endeavour. Your teaching was really impactful and has caused me to go deep into discipleship in communities.

Thanks for your time and energy to bring revelations.

I pray that this relationship will grow more intentionally.

Grace and the mercy of the lord be with forever.

Thank you

FOR SUPPORTING MY
TEAM AND I TO SPREAD
THE GOSPEL
